

# LED CEILING FAN LIGHT

Pure copper coil

High quality bearing

High quality motor oil

Good silicon steel sheet

# 15-YEARS WARRANTY FOR 100% COPPER MOTOR

The motor is guaranteed for 15-Years  
and other Fittings for 5-years

DC Technology

Energy Saving

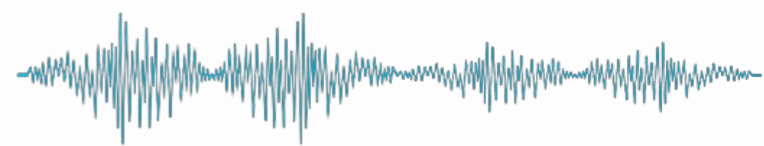

Stable

Low Noise

Ordinary Fan Lamp

Variable Frequency Fan Lamp

1  
Gentle Wind

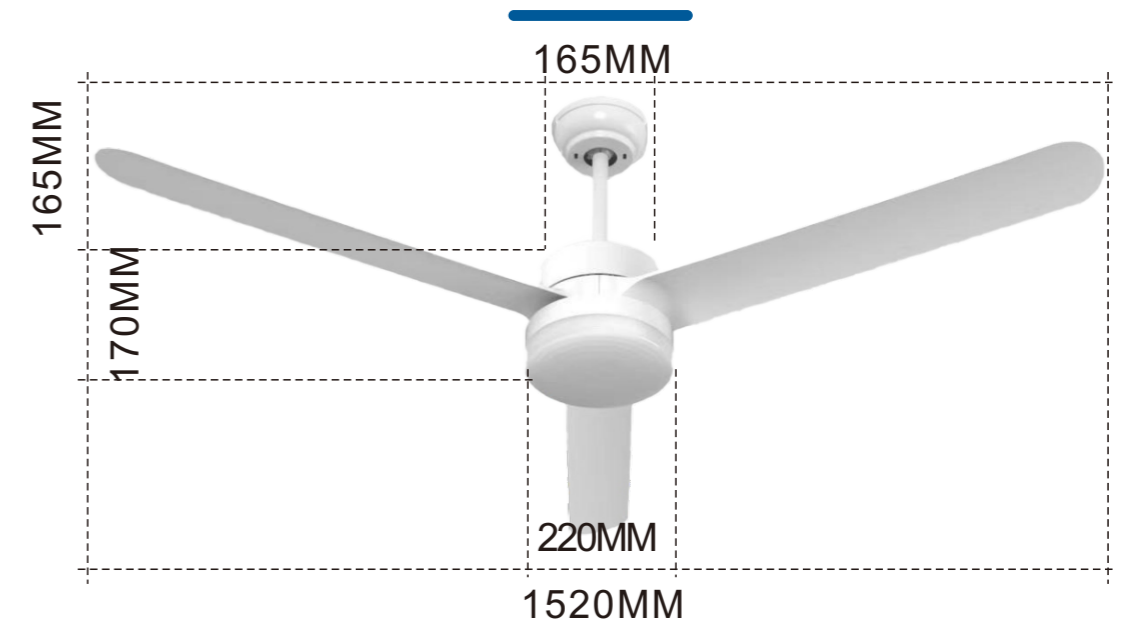

2  
Comfortable Wind

3  
Strong Wind

## Product Information

OEM/ODM orders are welcomed, we will try our best to meet all your needs.

Model	LU-CFLA	Size	1520*335mm
Light Angle	180°	Light Source	LED Bulb
Material	Alu&ABS	Light Color	3000K/4000K/ 6000K
Color	Black/White	Input Voltage	AC220-240V AC90-277V

White

Black

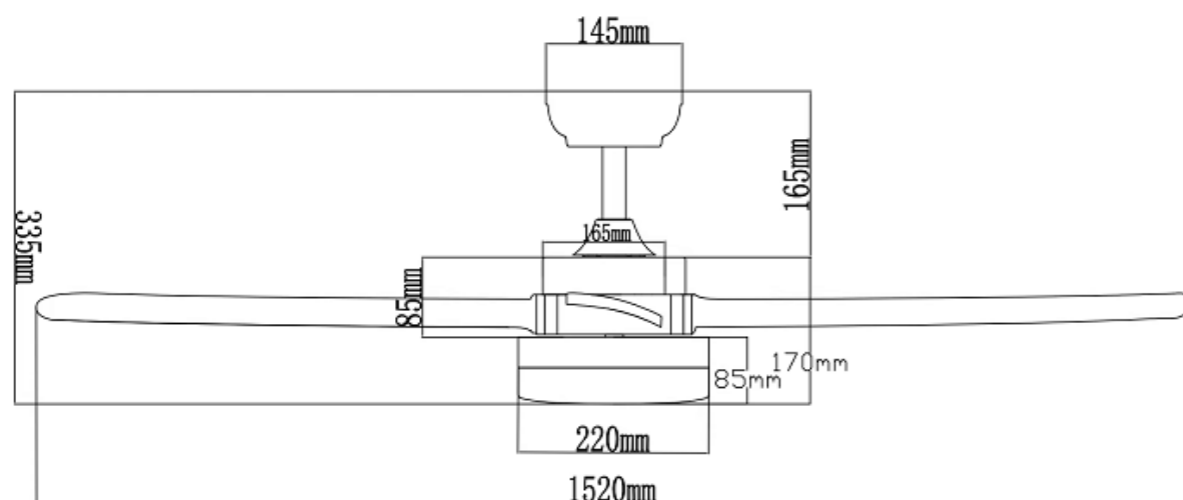

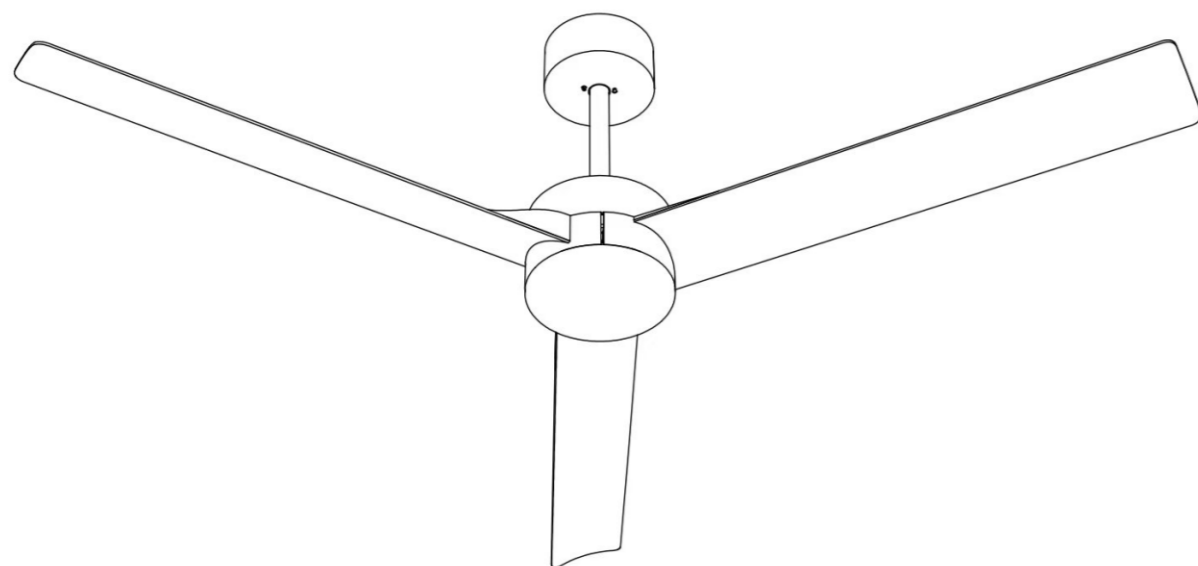

### Suggestion

IP Rate	Indoor (IP40)
Application	Home, office
Applicable Area	10-25m <sup>2</sup>

## Detail Specification

OEM/ODM orders are welcomed, we will try our best to meet all your needs.

Product Name	Ceiling fan with light	Switch Function	3 speed
Manufacturer	LUCCA LIGHT CO LTD	RPM range speed1(min)	18W/118 times
Model No.	LU-CFLA	RPM range speed2(min)	26W/128 times
Finished	White/Black	RPM range speed3(min)	40W/138 times
Shade Color	White/Black	CFM(air volume)	215m3/min
Engine Power	40W	Motor Size	153*10mm
Voltage Input	AC220-240V/AC90-277V	Decibel	<45dB maximum Power
Blade Diameter	740mm/3/fan	Radius	Upto 20 m2
Height	335mm	Shade Material	ABS-Plastic
Width	1520mm	Body Material	Aluminum, Plastic
Led Source Power	18W	Fan Control Type	Remote
Bulb Type	LED	Fan Mounting Type	Stem
Base Type	Integrated LED	Wet Location	YES
Number of Bulb	2	Damp Location	YES
Bulb Included	YES	Net Weight	4.65kg/Unit
Fan Blades	3	Kelvin Temperature	3000K/4000K/6000K
Fan Blades included	YES	Lumen per Bulb	100lm/W
Light kits adaptable	YES	Color Rendering Index	>90Ra
Operating Temperature	-20~+50°C	Total Lumens	1800lm
IP Rate	IP40	Warranty	5-YEARS
